LEADERSHIP & MANAGEMENT

Creating a Workplace that Respects and Values Cultural Differences

Learn practical strategies to build a respectful, inclusive workplace where cultural differences are understood, valued, and supported. This course explores leadership, communication, workplace behaviours, and practices that help create a positive and respectful work environment.

NOTIONAL HOURS	ASSESSMENT	PRICE
1.5 hours	**Formal Assessment**	**$75 inc GST**

COURSE OVERVIEW

Workplaces are made up of people from diverse backgrounds, experiences, and cultures. Understanding and respecting these differences is essential for creating positive workplace relationships, improving communication, and supporting a culture of inclusion.

This course provides practical guidance on recognising cultural differences, promoting respectful workplace behaviour, addressing barriers to inclusion, and responding appropriately to workplace concerns. Learners will gain valuable knowledge to help create and maintain a workplace where all people are treated with dignity and respect.

WHO IT'S FOR

- Business owners
- Managers
- Supervisors
- Team leaders
- Human resource personnel
- Workplace trainers
- Compliance professionals
- Educators
- Workers in culturally diverse workplaces
- Anyone seeking to strengthen workplace inclusion and cultural awareness

KEY LEARNING AREAS

- Understanding Cultural Differences at Work
- Setting the Right Workplace Foundations
- Embedding Respect into Business Practices
- Preventing and Responding to Problems
- Strengthening the Workplace Over Time
